

Application for membership of the Dutch Society of Toxicology (NVT) with free access to TCDD (Toxicological Communications, Data and Documentation, four times a year) via the website www.toxicologie.nl.

I want to become a member of the Dutch Society of Toxicology and commit myself to paying the contribution (€50 per year, students €20 for the first three years of membership (if still a student) and PhD-student €20 per year for the first three years of membership (if still PhD-student) until written cancellation (cancellation must be made before December 1st of the current membership year). Membership is automatically renewed unless the NVT membership administration has received a written notice of termination (by e-mail), of which you will always receive a confirmation.
